

Demo Result Table *

our future Certified Biodegradable is rooted in the product's biodegradation test results. Our certification is based on thorough biodegradation assessments and is backed by scientific data from ISO 17025 accredited laboratory testing. Products are certified to ISO 17034 Certified Reference Material.

* This draft result table is governed by and incorporates by reference; the conditions of testing as posted on the date of issuance and is intended for the identified Project Owner's exclusive use. Any copying or replication of this draft result table to or for any other person or entity or use of our company name or Service Mark is permitted only with our prior written consent. Any exemption to the copyright of the report or images provided will be explicitly noted in this report.

This report sets forth our findings solely with respect to test samples identified herein. The results set forth in this draft table are not indicative or representative of the quality or characteristics of the lot from which a test sample was taken or any similar identical product unless specifically and expressly noted.
